Play - Learn - Live

Thomley

A place for people of all
abilities and disabilities

Community Day

For all children and teenagers with
or without a disability

Thomley welcomes children from the wider community to come and play on Community Days. Usually on one Saturday a month and at least one day a week in the school holidays.

Children of all abilities can play together in a safe, secure setting, which may be harder in the community or other play environments.

Recommended donation of £8 per disabled child and £10 per child without a disability.

Our Community Days are a great opportunity to educate people about the issues that families with a disabled child face, and also a chance to just have fun together.

To book, or for more information email:
bookings@thomley.org.uk or, call: 01844 338380
