

# Thomley

A place for people of all  
abilities and disabilities

## Birthday parties

### No better place to spend your birthday

#### What do we offer?

Come and spend your birthday at Thomley, make the most of the huge range of activities on offer with all your family and friends. Book twenty children or more to use all our facilities and add on extras, such as use of the sensory room, a theme for your party, an art and craft or physical activity, led by one of the Thomley team. We will also give you your own room for an hour to eat your party lunch or play some party games.

#### What else do I need to know?

Squash, tea and coffee are all included with the party, however we don't provide the party food. You and your guests have access to the site from 10-3:30pm. Disabled children may book a party on any Saturday (except our Quiet Day) and any children without a disability may book a party on any 'Community Saturday'.

**A recommended donation of:**

**£160 for a full day party (up to twenty children).**

**£40 for an additional activity or an hour in the sensory room.**

**£8 per additional child, if you're brave enough to invite more guests!**

**To book, or for more information email:  
bookings@thomley.org.uk or, call: 01844 338380**
