October half term fun...

Wow! It's another record-breaking half term at Thomley, as over 500 young people came to play.

For the first time ever we were open for all seven days of half term PLUS an evening! Another smashed record was the amount of pumpkins carved throughout the week, with some truly brilliant designs. Well done to all of you who took part!

Trunk or Treat was a huge success! Every family made so much effort, decorating the trunk of their car and displaying them for all to see.

There were also some wonderful outfits on show and a special thanks to the 'volunteers' who got called up 'on stage' with the incredible magician Jay - very entertaining!

A great night that we will certainly provide again in 2018!

How was your day in half term?

It's always good to hear how we did, if you had fun, and what we can improve to make your visits even better. Did you come in October half term? If so, please give us a minute of your time, tell us your thoughts:

Welcome Paul Lawrence...

Paul joined Thomley in September 2018 as Head of Fundraising, and he had this to say on joining the team:

"My whole career has been spent in the voluntary sector, and I have been fortunate to have been CEO of three amazing charities prior to joining, which were the Oxfordshire Association for Young People, Pets as Therapy and most recently, The Feathers Association.

I am keen to develop a range of fundraising opportunities that will not only bring in the much needed funds into Thomley, but we will also create some wonderful opportunities for everyone to be part of team Thomley. Further news on this to follow"

Welcome to Julie Lunn...

Julie joined the team in October this year as our new site cleaner. You may see her towards the end of your day at Thomley, as she will be trying to get the site nice and clean ready for our next set of visitors! Make sure you say hello to her when you see her. She had this to add:

"I'm already enjoying being part of the team at Thomley, and it's great to make a difference by ensuring our site is super clean and ready for all you visitors. I look forward to meeting lots of you over the coming months."
