

Our Place

Issue 20

A fantastic February half term...

Over 500 young people came to Thomley during the February half term with a mixture of new and familiar faces. Thanks for coming and we hope you enjoyed the varying sports and workshops we put on for you.

Upcoming Workshops...

The Great Thomley Easter Egg Hunt! Friday 30th March

Eggciting! Chocolate eggs to be won!

Family Yoga Workshop

Tuesday 3rd April

Yoga for all the family in this hour long workshop.

Lego Robots Workshop

Thursday 5th and Friday 6th April

Lego Robots were very popular when they last came to Thomley, great fun for all.

Woodwork with Paul

Monday 9th and Thursday 12th April

Test Paul and make something unique this Easter!

FUZE coding workshop

Tuesday 10th April

Learn to do basic coding, which you could use to make your own games!

Football skills and Tournament

Tuesday 10th and Friday 13th April

For all you footy fans out there.

Soundabout Workshop

Saturday 28th April

Make sure you reserve a session when you book in for the day.

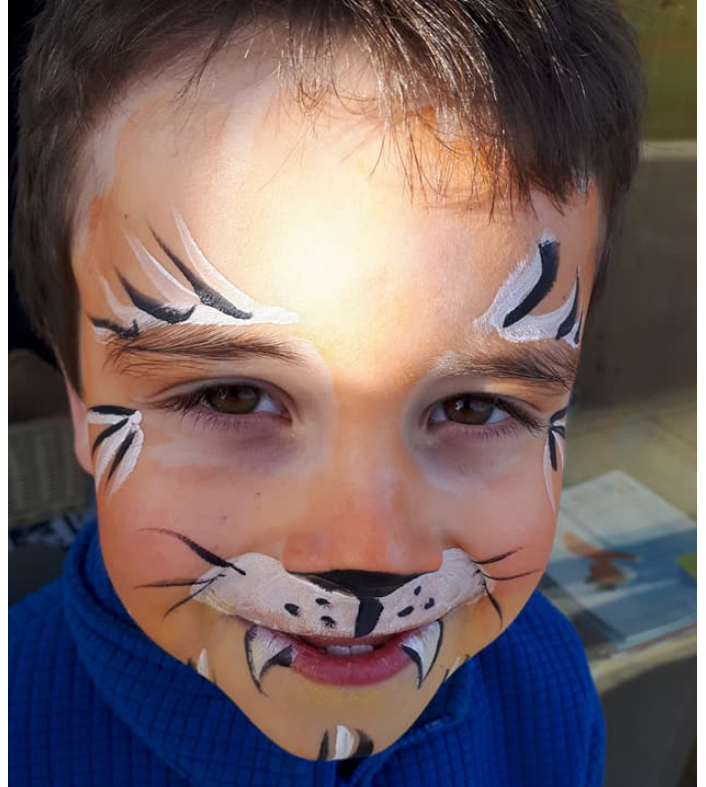

Easter holidays at Thomley...

We will be open throughout the whole of the Easter holidays, the only closed day will be Easter Sunday. We are now taking bookings!

If you are looking for a quieter day, just ask when Faye when you book and she can advise you the best days for you.

Take a look at the activity planner or the calendar on the website for the full range of activities available.

Autism Consultancy Day...

Our patron Paul Isaac has now spoken about several topics on Friday nights at Thomley and they have been very popular amongst families and professionals.

Paul is here on 10th April during the day time available for one to one consultancy sessions, or to do a small talk to a group of you.

This is at no cost to those booking. Topics can be anything that may benefit you, your family, your school, or organisation. You can just talk to Paul for general advice about anything to do with ASD.

To book a session or for more information, please email us on:
bookings@thomley.org.uk

Tents at the ready, camping is back...

This year there will be 3 camping events. The first and second will be for one night, and the August camping will have two nights in a row (as requested by lots of you!).

Campers are welcome from 3:30pm on May 25th to pitch up, and you may purchase dinner / breakfast tokens like last year. The following day campers will have sole use of the site. Available to book now: bookings@thomley.org.uk

Golf & foot-golf back on the field soon!

Golf was a popular addition to the site last year. If you fancy a go then head to reception and grab yourself a club, ball and scorecard. We have a glorious 6 hole course fit for a pro!

The modern version of golf is foot-golf, and this year our 6 hole course also has 6 larger holes so you can play that instead! (Or do both of course!)

Let us know how you get on, the golf course record last summer was 27 shots! The course will be ready for the Easter Holidays.

Two new rooms are opening...

As of Wednesday 7th March our new sensory room and open soft play area will both be open! It's the same booking process for the sensory room as the existing room and the soft play is open all day every day. Check them out on your next visit and let us know what you think.

Congratulations to Anna!...

Some of you will know already, but for those that don't our Activity Coordinator Anna is expecting her first child!

We are all so excited for her, so a massive congratulations to her and her partner Jim. Anna will be off on maternity leave roughly half way through the year.

Can you help?

We are on the look-out for Hornby trains, Lego and Playstation 4 games. If you, or anyone you know is willing to give us any, we would be very grateful!

We are also very keen for any Hornby enthusiast to come and take a look at our set up, and help us get the most from it. If that's you, please get in touch:
joekitchen@thomley.org.uk
