The HAF Programme is back for the summer holidays...

We are absolutely thrilled to have been accepted as a Holidays and Food Programme (HAF) provider for every day this summer in the school holidays.

Therefore all families who are in receipt of free school meals can access Thomley at no cost this summer, including a booking in our sensory room and a hot lunch meal.

This must be booked in advance and if you are no longer able to

make your visit you must let us know, so that we can offer the limited spaces to others. You can arrive and leave on your booked day between 10am and 3:30pm. Parents / carers must stay on site. We do have FREE transport available for Buckinghamshire families for a limited amount of days over the summer, please contact reception to enquire.

Buckinghamshire families can book now on our website by visiting the online calendar, selecting a date, then clicking the Buckinghamshire HAF link. Oxfordshire families can book from 1st July, we will share details of how to book on our Facebook page as this is being booked on an external website.

Update on changes to site...

In the last newsletter we shared the exciting news that we are having a new swing and jumping pillow installed. Both are still on track to be finished in advance of the summer holidays!

Here is a photo of the swing which is nearly finished. In front of this area and the sandpit is where the new jumping pillow will be installed. We apologise again for any disruption whilst you have been on site.

Booking enhancements being made soon to our website...

We are making a few changes to our booking system in the coming weeks, again to improve the ease of booking online. You shouldn't notice any major differences, other than it will hopefully be easier to book multiple dates and tickets in one go.

We will be taking payments for bookings upfront. We know we have done this for some time already for events, parties and pod bookings. However, we will now need to do this for our day to day activities and sessions also. The reasons for this are that we do still get a high percentage of visitors not turn up for visits. Not only does Thomley then miss out on valuable income, but we also could have offered those spaces to another family in need of a visit or Thomley's support.

When the new booking links are active you will be asked to pay for your visit/s when you book online and then on the day of your visit you will present a QR code at reception, so we can scan your tickets to enter. The arrival process should also speed up as we will no longer require you to sign in and out of site manually, plus the payment details will automatically go through when we scan your QR code.

As we did last summer, we have the fantastic Megan Guard coming to take lots of photos of the Thomley site and visitors using the facilities. We would like all visitors that book on Monday 25th July and Monday 22nd August to sign a consent form on the day stating they are happy for us to use all photos taken in our future publicity materials. Thank you in advance for taking part and look out for your photos on our website, leaflets and social media!
