

Camping Pitch & Camping Pod Stays

The pods...

Thomley has three camping pods on site; The Enchanted Forest; The Hare Hut and The Chill Cabin.

All pods include: a bathroom with toilet, shower and sink; a fridge, kettle, toaster and microwave; a shared social area which include the use of a BBQ.

Every pod is themed slightly differently but all are built with disabled people in mind. Our pods are very spacious compared to most camping pods, complete with widened entry and bathroom doors. There are additional accessible features you can request, such as a shower seat. The pods also include air conditioning, heating, smart TVs, WiFi and all required bedding.

The pitches...

There are five pitches available to book. Two come with a bell tent up ready for your arrival with a torch and extension lead.

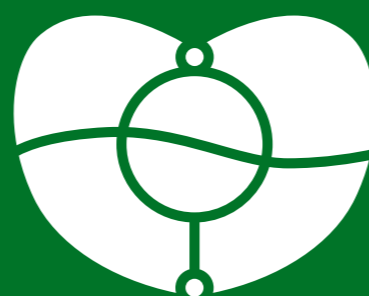

The three other pitches require you to bring your own tent or overnight equipment. All pitches include an electric point, use of a shared outdoor fridge and sink, plus a shared toilet.

If you require our fully accessible toilet and shower for your stay, please notify us in advance and we will ensure you have access to this provision.

all abilities
and disabilities

Thomley

Your stay...

You can self check in from 3:30pm for your stay and you can just follow the instructions contained in your booking email when you arrive. You will be able to drive over to the pod area to unload before leaving your car in our car park overnight. You will have access to all outside areas of Thomley from when you arrive (except the splash park) until 10am the following morning.

You will have a day in the centre included with every night you book to stay. The site is secure and locked at all times. We do not provide towels but will leave you fresh sheets and bedding, plus you will have milk, tea, coffee and sugar in your pod when you arrive (the only difference to your stay if you are camping, rather than in the pods, is that we do not provide these extras).

Added extras...

You can book on extras such as a BBQ or Breakfast box, which will be ready waiting in your pod when you arrive and have access to our BBQ all year round. If you require an additional fold out mattress, travel cot, or shower stool then you can request these and they'll also be ready for your stay. If you want to discuss your booking or make a request, please contact us and we'll do our best to help.

How much will it cost to stay?
